Dear Prof. Ellison,

— **Re: CASCA Nominating Committee Report** —

The CASCA Nominating Committee is presently comprised of the following CASCA Members: Dr. Nicholas Cowan (McGill), Dr. Gary Davis (recently retired from the SKA), Dr. Judith Irwin (Queens) and Prof. Roberto Abraham (Toronto). After consultation amongst ourselves and with proposed candidates, the Nominating Committee put the following names forward for positions on the CASCA Board:

- Vice-President: Erik Rosolowsky (University of Alberta) and Samar Safi-Harb (University of Manitoba)
- Director: Julie-Hlavacek-Larrondo (Universite de Montreal), Laura Parker (McMaster University) and Howard Yee (University of Toronto)

The nominating committee is very grateful to these candidates for allowing us to put their names forward for consideration by the CASCA membership at the upcoming election.

Best regards,
